Die Angaben beziehen sich auf 230V AC. Die Herstellerangaben sind zu beachten. Für den Betrieb von Leuchten werden Leitungsschutzschalter mit C-Charakteristik empfohlen. Bei mehrpoligen Leitungsschutzschaltern reduziert sich die maximale Anzahl um 20 %. Die aufgelisteten Angaben sollen nur als Richtwerte dienen und können im Einzelfall abweichen. The information refers to 230V AC. The manufacturer's instructions must be observed. Circuit breakers with C characteristics are recommended for operating lights. For multi-pole circuit breakers, the maximum number is reduced by 20%. The information listed is intended to serve as a guide only and may vary in individual cases.
