

STRONG 40

136-39-303-E

The slim light channel - linear architectural lighting in the smallest of spaces

Design: linear
ceiling mounting: available
pendant mounting: available
track mounting: available
material: aluminum
colour: RAL of choice
Width [mm]: 40
Length [mm]: konfigurierbar
Height/depth [mm]: 75
suspension length [mm]: 3000

A multifunctional lighting system for well differentiated as straightforward architectural lighting. With a width of only 40 mm, it is very filigree and can be configured consistently as a surface-mounted, pendant and recessed luminaire for plasterboard ceilings and walls. Lighting situations such as offices, schools or shops with different light and light directions can be implemented.

The technical data relate to a running meter and may have to be adapted to the specific customer length.

light direction: direct
Luminaire Luminous Flux [lm]: 2170
light cover: Acryl prismatic
light symetry: symmetrical
System efficiency (lm/W): 99
Colour Temperature [K]: 3000
Colour Rendering Index: >80
control: on/off
control gear incl: 22
Nominal voltage: 230V 0/50/60Hz
emergency ready: yes
emergency battey 3h: included
Degree of protection: IP30
Protection class: I
control gear incl: ja
Stand: 20.05.2022
