Height/depth [mm]: 90
weight net [kg]: 4,3

The extensive range of luminaires with different shapes and sizes fits quite naturally into different environments. The formal reduction and subtle materiality of aluminum and white acrylic make CLEAR a perfect design element.

TAILOR MADE - individually in shape, size or colour, we combine design and light quality in order to professionally illuminate modern offices, schools or health facilities. Attention: To suspend the luminaire from the ceiling, a suspension set must also be

Type: PLANE
